Hi,

Spoke to Vivian, she will be at the meeting on the 18th—she mentioned that May 25 is too close to Memorial Day, hopefully, we can agree on another day for our first official CAG meeting on the 18th.

See you all next week.

Good morning Pat,

Can we confirm the CAG reorganization meeting at the Church of the Good Shepherd on the 18th?

I also need to confirm with our technical advisor the date of the first official CAG meeting; the 25th seems to be most suitable. Please let me know if we can secure that date at the Boro Hall or otherwise. I'll reach out to Vivian during the week to see how she is doing and if this date would work for her.

Thank you.

Hi all,

Please let me know your availability on Wednesday, May 24th and Thursday, May 25th, and keep those dates open if you can. We are looking at dates to secure the first CAG meeting after our CAG reorganization meeting, and are trying to get a preliminary idea of everyone's schedules next month. We have secured a technical advisor who has begun to review the latest groundwater, surface water, and mine water data and either of the aforementioned dates are best suited to his schedule.

Thanks,

Good afternoon and Happy Sunday everyone.

I spoke with Ms. Sullivan recently and she mentioned that she is able to apply for a grant from the NJ Highlands Coalition to work on TAG formation under the Ramapo Conservancy. Is this possible/feasible? What does everyone else think?

Hi!

I spoke to Pat Seppi today—she is going to schedule a CAG reorg. meeting at Boro Hall as soon as possible. If you would rather meet at the Church of the Good Shepherd let us all know and we'll go in that direction.

We are all anxious to get going,

it's important for us to meet and decide on the way forward. Once, we do, then if we feel the need to hold the next meeting at the Ryerson School we can.

She will reach out to all of you with possible dates.

Chief, do you want me to contact Vivian?

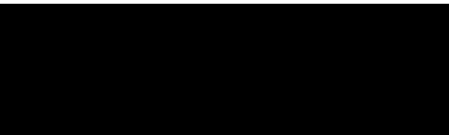

Wenke
